# THIS SALE

---

Does not contain any coins that you SIMPLY MUST HAVE. But it does contain such a large and varied assortment of coins of all series and varieties that I feel sure that there must be SOME coins in this sale of interest to nearly every collector.

The collection and consignments of United States coin is nothing WONDERFUL; but interesting enough for the average collector; and is sprinkled with some few good rarities to attract the "man higher up." The early half eagles, the Stella—(a "Star" sure)—dollars of 1836, half dollars of 1794 and 1815, scarce quarters, dimes and half dimes, nice cents, Hard Times Tokens, etc., and the unusually large and interesting lot of Foreign Silver and copper coins and medals should prove SOME attraction.

And now, ladies and gentlemen, your careful perusal of the following pages is earnestly invited, after which you are respectfully requested to sit down and send me in your bids for ALL the lots that interest you. And I promise you that I will execute your bids for you as fairly and as faithfully as if you had yourself been present at the sale, buying the lots for you at as much under your bids as the next highest bidder will permit. And no commission charged for executing bids.

Yours very truly,

P. S.—The usual neatly printed list of prices showing amounts realized for each lot of this sale, will be issued, and supplied for only 50c. Kindly send in your order now so that the list may be sent you as soon as issued.
